

DR. PRAMOD SAWANT
CHIEF MINISTER, GOA

9th July, 2025

M E S S A G E

It is with great pride that I extend my greetings through this platform of Kala Academy Goa; an institution that has long stood as the cultural heartbeat of our state.

Kala Academy has played an instrumental role in nurturing and showcasing Goa's rich artistic heritage. From classical music and theatre to modern art and literature, this Academy has been a confluence of creativity, tradition, and innovation.

As Chairman, I envision Kala Academy more than as a space for performance, as a transformative centre for cultural development. In the years ahead, we are committed to enhancing its outreach, embracing new-age platforms, and encouraging emerging talents across every corner of Goa.

Let us together preserve our heritage while creating new cultural narratives for future generations.

Jai Hind.
